

# AREE2025

SHAHID CHAMRAN UNIVERSITY OF AHVAZ, IN COOPERATION WITH THE IRANIAN ASSOCIATION OF ELECTRICAL AND ELECTRONICS ENGINEERS-KHUZESTAN BRANCH, IS HOLDING AN INTERNATIONAL CONFERENCE:

## THE 5<sup>TH</sup> NATIONAL AND THE 1<sup>ST</sup> INTERNATIONAL CONFERENCE ON APPLIED RESEARCH IN ELECTRICAL ENGINEERING

Conference Theme: Electrical Engineering  
(Electronics, Communications, Power  
Control, Biomedical and Computer Engineering)

This virtual event is an excellent opportunity for researchers to share their insights on the recent trends in the field of Electrical Engineering. The conference keynote speakers are recognized professors from prestigious universities. There will also be several workshops from the industry and academia, and a competition. The Organizing Committee members of the AREE 2025 cordially welcome original unpublished papers from the researchers presenting innovative contributions.

### Keynote Speakers:

**Prof. Emil Bjornson**

Professor of Wireless Communications at the KTH Royal Institute of Technology, Sweden

**Prof. Pierluigi Siano**

Professor of Electrical Power Systems at Salerno University, Italy

**Prof. Famarz Hossein-Babaei**

Professor of Electronic Materials at K. N. Toosi University

## IMPORTANT DATES

**Full Paper Submission Deadline:** December 11, 2024

**Paper Acceptance Notification:** January 25, 2025

**Final Paper Submission:** January 28, 2025

**Author Registration Deadline:** February 2, 2025

**Workshop and Competition Proposal Deadline:** December 11, 2024

**Workshop and Competition Admission Announcement:** January 30, 2025

**Conference Date:** February 4-5, 2025
