

# User Guide for Accepted Authors

## Congratulations!

Your paper has been accepted for the Fifth National and the First International Conference on Applied Research in Electrical Engineering (AREE)! Please follow this guide to prepare your paper for final submission and publication in the IEEE Xplore Digital Library.

## 1. Preparing Your Final Paper

1. **Add Copyright Notice:** Include the following IEEE copyright notice at the bottom of the first page of your paper:

**979-8-3503-7717-0/25/\$31.00 2025 IEEE**

If you have questions about this step, contact the conference representative at [m.kalantari@scu.ac.ir](mailto:m.kalantari@scu.ac.ir).

2. **Proofread:** Review your paper thoroughly to eliminate errors, as no revisions can be made after final submission.

## 2. Copyright Transfer

All authors intending to publish in the IEEE Xplore Digital Library are required to transfer their copyright to IEEE.

- Complete the copyright transfer form via the conference's submission system.
- Upload the completed form to the specified location in the submission system.

### 3. Using IEEE PDF eXpress

All papers must be validated for compatibility with IEEE Xplore. Follow these steps:

#### Creating Your PDF eXpress Account

1. Visit [IEEE PDF eXpress](#).
2. For first-time users:
  - Click **New Users Click Here**.
  - Enter **63378X** as the Conference ID.
  - Provide your email address and create a password.
  - Follow the prompts to complete your account setup.
3. For returning users:
  - Use your existing account credentials.
  - Verify that your contact information is valid.

#### Validating Your PDF

1. Upload your source document to the IEEE PDF eXpress site.
2. Download the validated PDF file after approval. Ensure no modifications are made to the PDF after validation.

### 4. Final Submission Requirements

1. **Submit the validated PDF:** Upload the validated PDF file to the designated submission system before the deadline.
2. **Ensure compliance:** Confirm the PDF includes the copyright notice and adheres to formatting guidelines.

## 5. Resources for Authors

- **Templates:** Access free MS Word and LaTeX templates.
- **Guidelines:** Review the publishing resources on the IEEE Publications website.

## 6. Support

- **Technical Assistance:** For PDF eXpress issues, visit the Publications Support Center or email PDFSupport@ieee.org.
- **Conference Contact:** For conference-related inquiries, email **Alimorad Mahmoudi** at mahmoudialimorad@gmail.com.

## Important Dates

- **PDF eXpress Site Opens:** January 25, 2025
- **Submission Deadline:** January 28, 2025

By adhering to these steps, you ensure a smooth publication process and compliance with IEEE standards. Thank you for contributing to AREE 2025, and we look forward to your participation in the conference!
